

DETAILED ALTERNATIVE ROUTE GUIDE

For the demolition of King Cetshwayo Bridge on the M13 over the N2 taking place in Durban from 18:00 Saturday, 14 October 2023 until 05:00 on Monday, 16 October 2023

NOTES TO READERS

Read together with the Alternative Routes Map. Which identifies 18 routes across the city for consideration as you plan your travel.

STEP 1

Consider whether you need to travel during the planned demolition period or if you can delay travel.

STEP 2

Identify the direction of your travel and find this direction in the options provided.

STEP 3

Consider your travel options while refering to the route map provided.

STEP 4

Use your GPS Maps function ahead of travel to get up to date information that may affect your travel times. Visit www.i-traffic.co.za/region/KwaZulu-Natal

STEP 5

Ensure you leave yourself enough time for the trip, noting potential speed limit changes and alternative route congestion.
